HEAD OF THE NICE LIST

THE NORTH POLE

From the desk of Santa

Dear _____,

The elves and I have been keeping a careful eye on the year, and I am delighted to tell you that your name is on the Nice List for Christmas 2026.

I heard about the times you were kind without being asked, the times you shared, and the times you kept trying even when something was hard. Those things matter very much here at the North Pole.

The reindeer are practicing their landings, Mrs. Claus is baking, and the workshop is busier than ever. Keep being exactly the kind person you are, and remember to go to sleep on Christmas Eve, because I can only visit when everyone is fast asleep.

With love and a sprinkle of snow,

Santa
